Subject: Inclusion of American Reinvestment and Recovery Act Funding Signs in Project Plans

On all State highway projects funded under the American Reinvestment and Recovery Act (ARRA), please advise staff to include ARRA funding signs in the PS&E. For these projects, ARRA funding signs will be installed downstream of Proposition 1B funding signs, or, construction funding identification signs under Standard Plan T7 if ARRA funding is also a part of the project.

Details for ARRA funding signs are available at:

<http://www.dot.ca.gov/hq/traffops/signtech/signdel/bondfund.htm>

If you have any further questions, please contact Don Howe at (916) 654-2634 or don_howe@dot.ca.gov, or Jennifer Perry at (916) 654-7266 or jennifer_perry@dot.ca.gov.
